

**The Money PSA**  
*10 Steps to change your financial  
perspective, spirit, and actions*

# THE MONEY PSA WORKSHOP

The goal of this workshop is to steer your finances towards a prosperous path.

In this transformative 3-hour workshop, we'll explore some of **The Money PSA's** key principles - from setting achievable goals to understanding spending habits, overcoming financial obstacles, and solidifying the concept of Progressive Savings.

Together, we will:

- Align your life's purpose with your monetary commitments,
- Uncover the hindrances affecting your spending and saving power,
- Delve into the importance of savings as a buffer against debt.

*All workshop participants will receive **The Money PSA** book and workbook.*

*For optimal workshop value, bring your actual income and expenses (and real-time application)*

## ABOUT THE FACILITATOR ●

***The Money PSA: A Biblical Framework to Reset Your Perspective, Spirit, and Actions*** invites readers to reconsider the impact of money on their spiritual journey. Whether in the midst of challenging financial circumstances or living comfortably, this framework provides guidance on how to strengthen your financial stability and live out your divine purpose.

Maya McNeese-Hargett wrote *The Money PSA* in 2023 to expand the biblical, financial stewardship message to a larger audience. Maya and her husband have served as Victory Church's volunteer finance ministry leaders for the past six years (members for 13 years total) which have enabled them see hundreds of people receive biblical, financial literacy and positively impact their overall trajectory.
